

Make the possible happen

My ambition is to work with under-privileged children and their families. The scholarship means I am worrying less about money and can focus on my work."

BC, 23, BA (Hons) Education Studies, caring for 2 younger siblings with disabilities/special needs

I use the money to cover costs of travel to placements, fund clinical supervision and buy books."

MJ, 22, BSc (Hons) Psychology with Counselling

One fifth of our students are disabled.

A scholarship helps young carers, young parents, people with health challenges, people with no family support and mature students.

Changing their futures

50%

of young carers are prevented from further study.

I had to drop out to care for my mum."

(Source: Barnardo's Survey 2017)

97%

of YSJ graduates are employed or in further study.

In 2018 we had 27 applicants for only 6 scholarships available.

Can you help? YES!

The scholarship really helped me as I was a mature student with two children and needed to travel to attend."

KT, BA (Hons) Children, Young People and Families. Now managing 8 staff and supporting 45 children

None of my immediate family had been to university and times had not been easy financially."

SJ, BA (Hons) Counselling, Coaching and Mentoring

My experience competing internationally as a result of the scholarship has helped me to develop as an athlete, coach and individual."

SN, BA (Hons) Dance
