For those of you in employment, half term will soon be upon us. We hope you get a good break and take time to recharge your batteries.

What next?

Many of you will now be looking beyond your first year of teaching and considering further aspirations in your teaching career. Some of you may be moving on and seeking new

teaching positions from September. Remember that the support does not stop here. If you are applying for a new job or simply wanting some advice on next steps, please do remember that our [Careers team](#) are here to help.

Our webinar focus next half term will be on using technology/ AI. Please keep an eye on your inbox for further details.

Certificates will be sent to anyone who attends a live webinar—these may prove useful when applying for jobs or to
