

Generation Delta

A one-day in-person workshop on the academic upgrade process of Home PGR (doctoral) students who identify as Black, Asian and/or minority ethnic women

WORRIED ABOUT YOUR DOCTORAL UPGRADE PROCESS?

WOULD YOU LIKE TO FIND OUT MORE ABOUT THE PGR UPGRADE JOURNEY AND WHAT PROGRESSION WITHIN A PGR PROGRAMME INVOLVES?

This one-day workshop is being offered by **Generation Delta*** for women who identify as Black, Asian, and/or from minority ethnic communities, who are registered as Home PGR students, and that have already begun their programmes in England.

At the session, you will hear from professors who are part of the **Black Female Professors Forum** as well as current doctoral students and university staff involved in the upgrade process of PGR students.

This is an in-person workshop. We want to encourage the participation of Home students from any English university thus we will reimburse transport costs up to £100, and provide refreshments and lunch. **We have 25 spaces available.** Spaces will be allocated on a first come first served basis.
